CONNECT WITH PEOPLE LIKE  
YOU THROUGH WORKOUT

## The Problem

It is hard for students to connect with others through meaningful ways.

Students also need partners to participate in some paired/team fitness activities.

## What's Missing?

A way for students to **align their interests and schedules**.

A solution to make it easier for students to know **what fitness programs and facilities are available** for them.

## Our Vision

Use **the dating ideology between students and fitness programs** so that each student has the chance to try some new sports.

**Match students who share similar interests** with each other for a longer connection.
